

CHEYENNE COUNTY
VERIFICATION OF NEED AGREEMENT

I, _____, whose address is _____, verify that I am of lawful age and do hereby verify the following after first being sworn as follows, to-wit:

1. That I have been informed by an official of Cheyenne County, Colorado, that pursuant to the official policy of Cheyenne County that only upon written authorization by the Board of County Commissioners and proof of homeowner's insurance or proof of liability insurance furnished by the requesting person or persons can a third party grant County equipment and only if all equipment is operated by County personnel.
2. I, the affiant herein, acknowledge and verify that I have attempted to procure or otherwise obtain the necessary equipment and/or private enterprise to furnish the necessary equipment and labor for my needs, but upon a diligent search for the same, no private enterprise and/or private rental of the same could be procured. Further, I have been informed by officials from Cheyenne County that County equipment will not be made available for private projects except in those rare cases where no conflict with private enterprise will occur. As such, based upon my diligent search for the same, no conflict exists with private enterprise inasmuch as I have made the following investigation more particularly described as follows (describe who was contacted, for what equipment and when contact was made):

Signatures of those contacted that are not available to complete the work (minimum of two required):

Signature	Printed Name	Date
Signature	Printed Name	Date
Signature	Printed Name	Date

3. In the event said County equipment and labor is being furnished to an entity other than an individual, the undersigned acknowledges and represents the undersigned is fully authorized to contract with Cheyenne County for the rental of the same.
4. That concurrent with the signing of this Verification, I am also furnishing proof of homeowner's insurance or proof of liability insurance showing good and adequate insurance to the County.
5. The Board of County Commissioners may determine waiving any or all fees for a person or organization (non-profit organizations must provide proof of being non-profit with this form).
6. In emergency situations, the County supersedes usage of the equipment.
7. Describe in detail the type of project, timeline, types and number of equipment and any other pertinent information relating to the project.

Approved and dated this _____ day of _____, _____.
